GENERAL GUIDELINES

Welcome Time

We are ready to welcome your child into the classroom 10 minutes before a scheduled worship service or event.

Allergies

Please inform your child's teacher of allergies during check-in and note them on the check-in sticker that is placed on your child's back.

Snacks

Snacks are not provided on Sunday morning other than for special occasions. Please enjoy donuts or outside food in Fisher Hall before checking your child into the nursery. For weekday programs, those with allergies can bring an alternative snack to enjoy. Snacks provided by the nursery are posted on the chalkboard across from the nursery.

Labeling

When checking in, please make sure all items (bags, bottles, sippy cups, baby food/snacks are labeled with your child's first and last name or with the extra check-in stickers provided. We wouldn't want to send someone else home with a favorite "wooby"!

Potty Training

For your potty training child, place an "I'm potty training sticker on child's back at check in. Teachers will assist your child (if needed in our in-room child sized restroom. Please send child in training pants (PullUps) until fully potty trained.

Diapers

Please provide extra disposable diapers and wipes in your diaper bag. We do have extra on hand if these items are forgotten. (We apologize but cannot accommodate cloth diapers at this time.)

It is important for the safety of your child that EVERYONE follows our check-in and check-out procedures. Our friendly staff is available to assist you with the process. Please make sure you never leave the premises without leaving contact information while your child is in our care.
